

The Sophia II

1,907 sq. ft. • 4BR, 2.5BA • 2 Car Garage

The Sophia II is a two floor plan offering an impressive 1,907 square feet of space. The kitchen opens into a spacious dining area and a great room with plenty of living space to suit your lifestyle. You will be very cozy in your large main floor Master Bedroom with walk-in closets off the main sleeping area as well as the Master Bathroom. Three additional bedrooms and full bath upstairs are perfect for a large family, or to serve as guest accommodations when friends come to visit. This floor plan offers plenty of space whether it is your first home or it is your last! This is easy living at its best!
